I'M JUSTINA BAGURSKIENE

PROFILE

Hello, my name is Justina!

I am a Design Person with basic abilities in **UI/UX**, **Design thinking** and **Research**. Design to me is an interactive and user driven process, where it's never complete the work of a single person alone.

I design primarily with the **user requirements** and **sustainable design** in mind and enhance it by **visual aesthetics**.

I am **motivated** and **responsible team player** who can quickly absorb **new knowledge** and **focus** on the tasks under performance and do.

Basic skills include **HTML/CSS**, **design thinking** and **creative problem solving**.

During my career I have gained skills in **team building**, **external / internal communication** and **collaboration**.
